

Procurement Activity Plan 2026-2027

This procurement activity plan outlines LHA's anticipated procurement activity over the next 12 to 24 months. It provides LHA and potential suppliers with an overview of what LHA is planning to buy at the category level and individual procurements where information is available.

The procurement activity plan is a live document and will be regularly updated to reflect LHA's procurement requirements.

A procurement activity plan is a core component of LHA's procurement strategy.

The LHA Procurement Activity Plan is current as at July 2026. All LHA planned procurements are subject to revision or cancellation. The information in the Procurement Activity Plan is provided for planning purposes only. The Procurement Activity Plan does not represent a solicitation or constitute a request for proposal, nor is it a commitment by LHA to purchase the described goods or services.
